

The City of Anniston Parks and Recreation Department is proud to have a year round swim team, the Anniston Barracudas. The Barracudas' home pool is our Aquatic and Fitness Center located at the Youth Sports Complex on McClellan. Swimmers range in age 5-18 and participate in USA Swim year round and Alabama Recreation and Parks Association swim program in the summer.

The Aquatic and Fitness Center will host several meets throughout the year, with our largest being our District meet in July. We will begin hosting USA swim meets in 2022. Bringing in athletes and families from all over the state and surrounding areas.

Your Sponsorship will help us purchase team gear, team travel for meets (sectional and nationals, and team equipment. Our biggest goal is to purchase screens to comply with our timing system to allow us to host larger scale meets and level up our starting blocks!

\*Each sponsor will be invited to our team banquet dinner. We will have a live \$20,000 giveaway!

**Platinum Medal Sponsor- \$500**

- Sponsorship on our starting blocks (limited to first 16)
- Sponsorship advertisement on screens through facility and during meets
- 3X5 banner displayed in our pool area of Aquatic and Fitness Center for one year
- Logo on all print material
